

Memorial Seat Fact Sheet No 10

Can I apply for a memorial seat?

Yes, all applications will be considered by Remembrance Parks Central Victoria (RPCV). Approval is subject to a site selection process to ensure the site is deemed appropriate and suitable (ie. impediments to existing graves, equipment access, future development). A particular location may be requested, however, final site allocation must be approved by RPCV. All applications need to be submitted in writing on the 'Application for Memorial Seat' form.

Can I supply and install my own memorial seat?

No. Memorial seats installed in a public setting must comply and meet ALL applicable Australian safety standards and regulations. The seat must have mounting brackets to enable fixing to a concrete footing that can only be carried out and installed by a suitably qualified RPCV member.

The cost of the memorial seat (powder coated bench seat) includes installation of the memorial seat and memorial plaque. The process of ordering, delivery and installation can be carried out by RPCV only.

Colours available in the memorial seats are galvanised silver finish, gloss black, gloss white or at Bendigo Cemetery heritage green only.

Who is responsible for maintenance of the memorial seat?

The memorial seat is intended to be situated at the agreed site for the lifetime of the seat. The applicant must seek and obtain RPCV approval prior to carrying out any maintenance or modification to the memorial seat or the area surrounding the memorial seat.

RPCV reserves the right to remove the memorial seat, without referral or compensation, should the memorial seat fall into disrepair, become vandalised or pose a risk to the public.

What plaque can be placed on the memorial seat?

A 205x160mm bronze or aluminium plaque is included in the price and will be adhered to the back rest of the memorial seat.
