

Death: it takes **all of us.**

FREE COMMUNITY EVENT Morning Tea Provided

9:30 am - 12:30 pm THURSDAY 8 AUGUST
5 Victoria Street, Eaglehawk

Let's create a world where we all know what to do when someone is **dying, caring** or **grieving**.
Learn how at our **Dying to Know Day Expo**.

Remembrance Parks Central Victoria are hosting our annual Dying to Know Day Expo, aimed at demystifying death. By discussing end of life planning and care ahead of time we can help reduce the stress felt at the passing of a loved one and we can also ensure that our wishes are carried out.

The day will include guest speakers, valuable information and tours of our crematorium.
